Extended School Year vs. Summer School

Presented by Dr. Tricia Lee, Special Education Director, and Midge Thompson, MS Ed., of Grand Forks Public Schools

- What is the difference between extended school year and summer school?
- What qualifies my child for extended school year?
- What are the programming options and considerations for all school-age levels? (Preschool, Elementary, Middle School, High School and Adult Transition)
- What are the schools' roles and responsibilities with regards to providing extended school year and summer school?
- What are my roles and responsibilities as parent or guardian?

Coming May 10, 2018: The Role of Paraprofessionals in Schools
